Special Recognition - Debrina D. Dante

Debrina D. Dante
Past Secretary, LACCEA Executive Board

Ms. Dante was also one of the first to volunteer to assist with fundraisers that benefited children and families in need. She was always eager to step in and take the reins, to share her empathy and compassion during celebratory and difficult times, and always the voice of reason. On a board mostly comprised of men she ensured that the voices of all the women members were considered.

Throughout Ms. Dante's tenure with LACCEA she was always a hands-on Director; ready to act at a moment's notice. She was often the first to show up to events and the last to leave. She was truly a presence within the organization. Her infectious smile and positive attitude will certainly be missed.

Ms. Dante, we are so grateful that you chose to dedicate your precious free time to our Organization. We will miss you, but hope you continue to remain an active member of the LACCEA family. We wish you the best of luck in all of your future endeavors!

We would like to thank Debrina D. Dante for her service and dedication in representing the Los Angeles County Chicano Employees Association (LACCEA). She held her position with professionalism and poise. Ms. Dante served on the LACCEA Executive Board of Directors for five (5) years. During her time with LACCEA she volunteered long hours to assist with the preparations of many LACCEA events. In fact, many times she hosted our events as our MC.
